

Hey! I'm Boopalakannan Kamaraj

Senior UX Designer | Sales Enablement UX Expert | Data-Driven Thinker | Design Systems Specialist

Senior Product Designer with 6+ years of experience designing B2B SaaS products across Sales Enablement, Healthcare, and Supply Chain. Skilled in end-to-end product design, **design systems**, and **AI-powered workflows**. Leverage Figma, **Cursor**, **Claude Code**, and **Framer** to rapidly transform ideas into production-ready experiences, bridging design and development with a strong focus on usability, scalability, and business impact.

My Toolbox

Design & Prototyping

Figma, FigJam, Framer

AI-Assisted Design & Development

Cursor AI (design-to-code), Claude Code, Manus AI, UX Pilot (UX acceleration), Motiff (multi-screen flow generation)

Collaboration & Research

FigJam, Miro, Jira, Confluence, Notion

Communication & Ops

Gmail, Slack, Keka

Core Skills

Product Design

- User Research
- Wireframes
- UI Design
- Prototyping

Sales Enablement UX

- Smart Agents
- Meeting Intelligence
- Coaching Workflows

Data Visualization

- Dashboards
- Reporting
- Conversion Optimization

Design Systems

- Figma Libraries
- Tokenization
- Cross-platform Consistency

AI + Productivity Tools

Exploring design-to-code workflows using Cursor AI, boosting speed from Figma to functional frontend

Collaboration

- Developer Handoff
- Agile Delivery
- Stakeholder Presentations

Experience

Senior UX Designer – Proshort.ai (Sales Enablement Platform)

2024 – Present | Bengaluru, Karnataka, India · On-site

- Owned end-to-end UX for 7 core modules across the meeting intelligence platform
- Designed smart agent interfaces for meeting insights, CRM autofill, and live sales coaching
- Led platform-wide redesign, consolidating fragmented flows into a cohesive AI-powered experience
- Introduced AI snippets, video highlights, and personalised coaching modules

Senior UI/ UX Designer - Red Baton

Nov 2022 to Jun 2024 · 1 yr 8 mos - Hyderabad, Telangana, India · Remote

- Mentored 5–6 junior designers and established design review rituals
- Delivered UX across 10+ client projects in healthcare, education, and automation
- Designed modular, scalable SaaS dashboards and microservices interfaces

UI/UX Designer (Contracted via Red Baton) - Blue Yonder

Full-time Contract · 1 yr 8 mos | Nov 2022 – Jun 2024

- Led UX for Planogram tools used by global retail supply chain teams
- Drove end-to-end design: workshops, wireframes, prototypes, and stakeholder reviews
- Contributed to design system revamp — improved input fields and AI prompt UI consistency

Junior Visualizer - Dropout Creative Studio

Jun 2019 - Jun 2020 · 1 yr 1 mo | Nungambakkam - Onsite

Education

Kumaraguru College of Technology

Bachelor of Engineering - BE, Computer Science
2013 - 2017

Location & Languages

Bengaluru | English, Tamil

Areas I'm Actively Exploring

Agentic UX, intelligent automation, and AI-assisted product development. Exploring Cursor AI, Claude Code, Motiff, and Manus AI to streamline design-to-code workflows and embed real-time intelligence into B2B experiences.
